PROJECT IDENTITY

The project is co-funded by the EU Programme Erasmus+

Key Action:
Cooperation for innovation and the exchange of good practices.

Action:
Strategic Partnerships.
Field: Strategic Partnerships for youth.

Main objective:
Development of Innovation.

The partners have developed all the intellectual outputs of the project ARTSQUAD and are inviting you to use them with your target- groups. The outputs include:

A new train-the-trainer curriculum to support youth professionals working with disadvantaged youth to use the artistic disciplines Digital Media, Storytelling, Drama and Music to build key competences.

A suite of 8 prototype tools which has been developed using the above artistic disciplines. The tools use enquiry-based and embedded-learning methodologies to support the acquisition of key competences.

The curriculum and the prototype tools are available in all the partners' languages; English, Greek, Estonian and Romanian.

Youth professionals can visit the E-learning portal to access the new train-the-trainer curriculum and the prototype educational resources at <http://artsquad.eu>

The partners have decided on the final format of the outputs during a transnational project meeting organised by Future in Perspective in June 18 & 19 in Trim, Ireland.
